Letter to Antiques in Canada

Subject: CHRISTMAS OF HOPE ANTIQUE EXTRAVAGANZA AND ROADSHOW, December 5, 2008

A special thanks to Antiques in Canada for supporting our event which proved to be well attended and outstanding. You went out of your way to provide this extensive coverage of this charity fund raiser and it is greatly appreciated by all concerned. A special thanks from the BC Cancer Foundation. On another note, I would take this opportunity to encourage other dealers to utilize Antiques In Canada to promote similar events and their business interests. Pass the word on to antique dealers who are not subscribers, every one gets a good bang for there subscription dollar, utilize this publication to it's potential. The larger the list, collectively we all win. Thanks again, your support made a difference. Have a good Christmas, your friend and supporter Wayne Mossman, FinePoint Antiques of Nanaimo.

Mile High ... Antiques!

Arnica House Antiques can be found in a Victorian style house located "on the Knoll" at Silver Star Ski Resort in BC. Owner, Carol King, combines her antique business with her love for the outdoors.

What makes her business unique is the presentation of her antiques. Nearly everything in her house is an antique and is for sale, and guests are invited to wander around to find that special piece of furniture to fill a void in their home. If you are looking for something that you don't see, ask her about it ... it just may be in her "overflow" area.

When you enter Arnica House, Carol immediately offers you a cup of mulled cider. As you wander about her beautifully appointed house you will see that she also has for sale many hand crafted articles made by artisans in the Silver Star Community.

In the spring, Carol can be found travelling across the country, looking for those elusive, quality antiques that we all love. If you are in the Vernon, BC area, be sure to take a trip up to Silver Star to visit this shop. You won't be disappointed.
